Sibling Rivalry Book Launch

It was to Anthropologie on the King's Road that the friends and family of Karen Doherty and Georgia Coleridge headed to celebrate the launch of their new tome, *Sibling Rivalry*- a guide on what to do if your children are pulling one another's hair out. Appropriately, the cocktails were dubbed the Incredible Sulk, the Green-Eyed Monster and Bitter and Twisted. It became even more of a family affair as sets of

sisters kept turning up, including the Manners sisters (Lucy and Libby) and the Fraser sisters (Kate, Cordelia and Perdita), while Claus von Bülow was overhead muttering that his father was so 'popular' he'd told him never to sleep with a girl before she'd had a blood test in case she was his sister.
